

Ottawa County Safety Council

Member Safety Resource Rebate Program

Purpose:

A safety rebate program designed to assist and compensate Ottawa County Safety Council Members for investing in the safety and wellness of their workforce ensuring the prosperity of the company.

Rebate/Incentive:

Each member is eligible to apply for \$100.00 per program year.

A program year is defines as the period between July 1st and June 30th of the given years.

Reimbursement Categories:

- ✓ ***Safety Related Training***: Costs incurred for attendance at BWC Safety Congress, for contracting speakers, trainers or instructors, or training related materials/resources.
- ✓ ***Personal Protective Equipment***: Costs associated with purchasing equipment and other protective items.
- ✓ ***Safety Awards/Recognition***: Expenses for rewarding or recognizing workforce or individuals for safe work practices and special safety related milestones.

Rebate Guidelines:

- ✓ Only one application for rebate per Member per Program Year.
- ✓ The final approval for rebate will be that of the Steering Committee.
- ✓ Each Member is encouraged to utilize this rebate to enhance their safety environment.

How to Apply for Rebate:

- ✓ The request for rebate requires completion of a short application, and a copy of payment receipts showing the expense category.
- ✓ The rebate reimbursement process will take up to 60 days after submitting the request.
