

\$100 Safety Rebate Program

Purpose:

A safety rebate program designed to assist and compensate Ottawa County Safety Council Members for investing in the safety and wellness of their workforce ensuring the prosperity of the company.

Rebate/Incentive:

Each member is eligible to apply for \$100.00 per program year.

A program year is defines as the period between July 1st and June 30th of the given years.

Reimbursement Categories:

- ✓ **Safety Related Items:** Costs incurred for attendance at Ohio Safety Congress (lodging and travel), for contracting speakers or instructors, and for training related materials/resources (books, traffic cones, safety related supplies).
- ✓ **Personal Protective Equipment:** Costs associated with purchasing equipment and other protective items.
- ✓ **Awards/Recognition:** Expenses for rewarding or recognizing employees for safe work practices and special safety related milestones.

Rebate Guidelines:

- ✓ Only one application for rebate per member per program year.
- ✓ The final approval for rebate will be that of the Steering Committee.
- ✓ Each member is encouraged to utilize this rebate to enhance their safety environment.

How to Apply for Rebate:

- ✓ The request for rebate requires completion of a short application, and a copy of payment receipts showing the expense category. The rebate reimbursement process may take up to 30 days after submitting the request.
