

Dear Safety Day 2016 Speaker,

Thank you for agreeing to be a speaker at The Safety Day 2016 event. It will be held on Friday, April 22, 2016 at Terra State Community College, 2830 Napoleon Road, Fremont, Ohio 43420. Upon arrival to the facility, you may go to the registration table to get signed in and receive information as to where your session will be held.

A draft copy of the tentative schedule is enclosed. Please review your session(s) time, title and description and let us know if we need to make any changes as soon as possible.

We would like to have the participants receive HR credits for attending the sessions and in order for that to happen we need a **bio** and **brief outline** of what you will be presenting. If you could please email those to [julie.reynolds@bwc.state.oh.us](mailto:julie.reynolds@bwc.state.oh.us) by no later than **Feb. 19th** so we can get the information submitted we would greatly appreciate it.

The following equipment will be available:

- Overhead projector
- Computer

***It will be best for you to bring your presentation on a thumb drive.*** You can bring your presentation on a laptop as a backup. Each room will have a committee member available to help you with setting up so please arrive ½ hour before your presentation time.

If you would like to have copies of any material/supporting documents pertaining to your presentation, you are responsible for bringing those with you. Once we close registration we can let you know how many have signed up for your session so you can make the appropriate number of copies.

You may contact any of the Program Team listed below if you have any questions. We look forward to your presentation and making this an educational and memorable day for the participants.

Thank you,

Julie Reynolds  
BWC Ergonomics Consultant
